GOVERNMENT OF KARNATAKA

No.CI-MMN/254/2025

Karnataka Government Secretariat,
1st Floor, Vikasa Soudha,
Bengaluru, Dated:17.09.2025

NOTIFICATON

In exercise of the powers conferred by section 15 of the Mines and Minerals (Regulation and Development) Act, 1957 (Central Act 67 of 1957), the Government of Karnataka, hereby makes the following rules further to amend the Karnataka Minor Mineral Concession Rules, 1994, namely:-

RULES

1. Title and commencement:- (1) These rules may be called the Karnataka Minor Mineral Concession (Amendment) Rules, 2025.

(2) They shall come into force from the date of their publication in the official Gazette.

2. Substitution **of rule 3-A:-** In the Karnataka Minor Mineral Concession Rules, 1994, for rule 3-A, and entries relating thereunder the following shall be substituted, namely:-

"**3-A. Exemption of certain rules in certain** cases**:-** The following activities are exempted from obtaining quarrying lease or license under the provisions of sub-rule (1-A) of rule 8 and Chapter II-A, for the disposal of Building stone, Murram, Fullers earth, Laterite bricks (used for construction), Bricks and Tiles clay, Lime Kankar and Lime shells for poultry feed and animal feed supplements, namely:-

(a) (i). digging of well for irrigation or drinking water or rain water harvesting;

(ii). digging of foundation for building;

(iii). de-silting of ponds, tanks and construction of new tanks by Irrigation Department or other Government Department, construction of ponds for the purpose of agriculture or fishery, construction and maintenance of canals and drainage system as notified by the Irrigation Department or other Government department;

(iv). levelling of any land by a landowner and disposal of said minor mineral in a manner that does not pose danger to the neighbouring lands;

(v). for the purpose of development of patta or private lands for betterment of agriculture by the landowner, subject to certification by the Agriculture Department to the effect and subject to the condition that such activity shall not render the land less fit for cultivation than before and also the mineral shall be removed in a manner that does not pose danger to the neighbouring lands; and

(vi). removal or collection of lime shells (dead shells) available in Coastal Regulation Zone by the traditional community through manual method for poultry feed and animal feed supplements:

Provided that, except sub-clauses (i), (ii) and (iii), prior working permission shall be obtained from the jurisdictional Deputy Director or Senior Geologist, Department of Mines and Geology before commencement of removal and disposal of said minor minerals and working permission period shall be twelve months from the date of granting working permission and period may further be extended up to twelve months by the jurisdictional Deputy Director or Senior Geologist for the reasons beyond the control of the working permission holder, as the case may be.

Provided further that, the concerned department or person shall inform in writing to the jurisdictional Deputy Director or Senior Geologist, Department of Mines and Geology about the works undertaken under sub-clauses (i), (ii) and (iii), and shall request to grant permission for the project proponent or department or person, if the department or person intends to sell or dispose the said minor mineral remains after self-consumption or bonafide usage, with valid Mineral Dispatch Permit.

Provided also that, no royalty, additional payment or fee specified in Schedule-II-D and District Mineral Foundation Trust Fund (DMF) shall be charged for the above said minor mineral removed in the above activities specified under sub-

clauses (i), (ii), (iii), (iv), (v) and (vi) for meeting bonafide requirements. If the above said minor mineral remains after bonafide usage and the working permission holder or Department or project proponent or person intends to sell or dispose excess above said minor mineral, the working permission holder or project proponent or person shall pay in advance the royalty and thirty percent of royalty as District Mineral Foundation Trust Fund (DMF) and transport of the mineral with a valid Mineral Dispatch Permit, within the working permission period.

Provided also that, the Ministry of Railways and National Highways shall be exempted from payment of royalty, additional payment and District Mineral Foundation Trust Fund and for obtaining Mineral Dispatch Permit on the soil or silt or murram from the tanks, lakes and ponds that are officially de-silted under the Amrit Sarovar Scheme.

(b) The minor minerals specified under clause (a), removed at the time of construction or development in project site like Airport, Railways, National highway, State highway and Industrial areas or sites, the person or Department or project proponent who has utilized the minor mineral specified under clause (a), for the project works and other activities notified by the State Government from time to time. The project proponent shall declare the quantity of the minor mineral specified under clause (a), utilized and shall pay the royalty for the same:

Provided that, if above said minor mineral remains after utilization in the project site, the project proponent or person or department intends to sell excess mineral, the project proponent or person or Department shall obtain permission from the jurisdictional Deputy Director or Senior Geologist, Mines and Geology Department and shall pay the advance royalty, fee for the mineral specified in Schedule-II-D and ten percent of royalty as District Mineral Foundation Trust Fund (DMF) and transport the minor mineral with a valid Mineral Dispatch Permit.

(c) If any other minerals found, which are not specified in the activities listed under clause (a) and (b) the working permission holder or project proponent shall stock the mineral separately and intimate to the jurisdictional Deputy Director or Senior Geologist, Mines and Geology Department about disposal of the mineral. The jurisdictional Deputy Director or Senior Geologist shall take the mineral in to possesion and dispose the mineral as per Chapter-VIII of these rules."

By order and in the name of the
Governor of Karnataka,

(Nagaraj)
Joint Secretary to Government,
Commerce and Industries Department (Mines).
